

To request access to the Family Portal. Parent/guardians should send an email to familyaccess@montytech.net including the following information:

- Student's name
- Student's grade level
- Parent full name
- Parent daytime phone number (indicate if it is a home phone, cell phone, work phone, etc.)

Please note: This request must come from a parent/guardian's email account.

Accounts for parent/guardians of returning students are disabled in early July for maintenance and are automatically reactivated the Friday before school starts. There is no need to request a new account.

Accounts requested by parent/guardians of Grade 9 students are set up in mid-September. You may request an account in advance, however, replies will be held until mid-September.

Students receive their schedules on the first day of school
